

It is with deep sadness we inform you of the passing of Paul Grubs at his home in Rolling Hills on October 5, 2020. Paul started his 50+ year career at Dorsett & Jackson in 1960 and later purchased the company with his partners in 1973. Together they built a premier specialty chemical distribution business and culture. His influence and dedication to the business and his customers was exemplary. Paul retired in 2015 but remained an active board member for the company. The relationships he built and the lives he touched will forever be remembered and cherished by all of us. Paul is survived by his children John and Holly.
