## **New Sr. Account Manager Hire Pacific Northwest Territory**

Dorsett & Jackson Inc. is pleased to announce the addition of Jim Rogers as Sr. Account Manager for the Pacific Northwest Territory.

Jim quite literally, grew up in the coatings industry. He started his journey working for his Father during summer breaks from school in their small paint plant in Los Angeles area, eventually growing and selling the business to RPM International in 2000. Jim has amassed a unique 40+ years of experience as a passionate paint & coatings Entrepreneur, a Public Company Corporate Executive, and most recently as a Director of Brands for a mid-size ESOP coatings manufacturer in New York. Jim's creative problem solving and "mixology" skills are just a couple of attributes that he brings to our customers in OR, WA, ID and British Columbia.
